Sir:

Certificate

of Correction

**REQUEST FOR RECONSIDERATION**

This is responsive to the Decision from the Decisions and Certificate of Correction mailed September 1, 2005.

Request is again made for a Certificate of Correction to correct the U.S. Filing Date of the referenced patent. Page 1 of the Patent, item (22) indicates the U.S. application was filed on February 27, 2001, when in fact the U.S. application was filed on December 6, 2000. The foreign application was indeed filed on December 6, 1999 and is correctly printed on the face of the patent. Applicants seek correction of the U.S. filing date of the U.S. application. Therefore, applicants believe the request for a Certificate of Correction is proper.

This U.S. application was filed on December 6, 2000 as evidenced by the attached postcard receipt and the original Official Filing Receipt.

The Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our **Account No. 14-1140**. A duplicate copy of this sheet is attached.

Respectfully submitted,  
**NIXON & VANDERHYE P.C.**
